A PUBLICATION OF FEESP-CSN'S MULTISECTORIEL SECTOR

## MESSAGE FROM THE PRESIDENT

Comrades,

It is with immense pleasure that the FEESP-CSN Multisectoriel executive present you with the reissue of *Le Multisectoriel*.

It is with immense pleasure that the FEESP-CSN Multisectoriel executive present you with the reissue of *Le Multisectoriel*.

After canvassing our members on various subjects of interest, we were pleasantly surprised to learn that many among you avidly read our publication. Several people also commented they appreciate being able to post the magazine on their union bulletin board and thus share sector activities with their members. So, we are excited to revive this tradition!

On another note, we know the pandemic these last few years has led to significant challenges for unions. This is why comrades in the sector and I want to get out and meet you, whether by phone or by attending your general meetings or an upcoming FEESP body, to hear about your concerns and respond to members' needs.

We look forward to seeing you soon!

Best regards,

**Éric Fillion**

President, Multisectoriel sector

## FACEBOOK TILES OF MULTISECTORIEL – FEESP MEMBERS

The relaunch of our sector magazine is a prime opportunity to introduce you to the concept of Facebook tiles that will serve to shine a spotlight on our sector members on the FEESP-CSN Multisectoriel page. We get the ball rolling with two members of the Multisectoriel executive committee: Éric Fillion, president, Daniel McSween, vice-president.

Follow us on the sector's Facebook page!

### ÉRIC FILLION

President of the Multisectoriel sector since May 2018

Operator at G3 Canada Limited (Quebec grain elevators) since 2006

### HIS WORK IN A NUTSHELL

Éric operates all the machinery used at G3 port facilities, formerly called Bunge Canada Limited, including heavy equipment such as Caterpillar 950F loaders and ship loading equipment. He may even be called upon to operate a locomotive to deliver all rolling stock (railcars) to unloading pits.

### UNION INVOLVEMENT

Éric has been active in his union since 2011. Incredibly moved by Roger Valois's farewell speech during the 2011 CSN congress, he decided to run for the position of treasurer of his union. A few years later, he was elected as Multisectoriel secretary and then as president in May 2018. Éric also gets involved as a FEESP trainer and more recently as a union organizer.

# DANIEL MCSWEEN

*Building cleaner at Structures métropolitaines Inc. (SMI), Nuns' Island sector*

## HIS WORK IN A NUTSHELL

His work consists of cleaning common areas of buildings, cleaning windows, elevators and stairways. As well, he manages recycling bins, collects garbage on the grounds outside, clears snow from entryways in the winter and cleans interior parking areas. Daniel also ensures tenant well-being and safety.

## UNION INVOLVEMENT

In terms of union experience, Daniel has been president of his union, STT de Structures Métropolitaines - CSN, for six years now. He has also been a trainer at the Conseil central du Montréal métropolitain (CCMM-CSN) for four years and a trainer at FEESP for one year.

## REVAMPING THE SECTOR LOGO

FEESP decided to move forward with updating all sector and committee logos as part of its 75<sup>th</sup> anniversary celebrations this year.

The Multisectoriel team recently participated in a brainstorming session to redesign and modernize its logo. The results of this work has been unveiled during the Federal Council held from May 3-5 in Rivière-du-Loup.

*We hope you like it!*
