

# 2nd CONVOCATION

Montreal, August 29, 2022

*To treasurers of unions affiliated with FEESP-CSN*

**Object: Registration for the FEESP's Special Federal Council  
Held virtually on September 12, 2022**

---

Hello,

As you know, the upcoming FEESP's Special Federal Council is fast approaching.

In the present convocation, you will find a personalized letter of credentials for your union. We stress the importance of completing, signing, and returning this document so that we receive it **before the official registration period closes at noon on September 8, 2022.**

**Please send your letter of credentials by email.** Otherwise, keep in mind that you are responsible for ensuring it arrives on time by mail if you decide to send it that way, as no exceptions will be made after the official registration period closes. Any delegate registered after this date will be registered as an observer (without speaking or voting rights).

**Each registered delegate must have a unique email address. Please include it in the space provided on the letter of credentials.**

Please note that since the Special Federal Council is convened shortly after the summer period, the Federal Bureau has adopted a resolution to use the Federal Council's Credentials Report of May 2022 and, therefore, to disregard possible delays in royalty and per capita payments. Thus, unions that were in good standing last May will automatically be considered official. However, a union that was not in good standing and has still not made its payments will have conditional status and its delegates will have no right to speak or vote.

We also remind you to pay particular attention to your delegation in order to ensure it contains an equitable representation of women.

Delegates shall receive Zoom links to access the council on Friday, September 9, 2022, at the email address they provided at the time of registration.

We hope to see many of you on September 12!

Best regards,

**Benoît Malenfant**  
President
