School support employees are the 81 categories of employment who help/support your children throughout their academic careers.

They are, among others:

- \* The **school secretary**, who makes it possible for the school to run smoothly every single day;
- \* The **daycare educator**, who plans educational activities according to the school's curriculum;
- \* The **student supervisor**, who ensures students's safety during breaks and transitions between classes;
- \* The **special education technician**, who helps students navigate through their daily challenges;
- \* The **caretaker**, who ensures the cleanliness of the child's place of education
- \* The **skilled worker**, whose efforts contribute to the maintenance and good condition of your child's school.

---

**Without the school support staff, the schools would fall by the wayside.**

They deserve our respect.

**The Government must commit to serious negotiations in order to improve the support staff's working conditions and consequently, the learning conditions of every student ion Quebec.**
