Subject: FEESP-CSN's 29th Congress – With force and conviction

Hello everyone,

We hereby announce that FEESP-CSN's 29th Congress will take place from **June 3-7, 2024**, at the Delta Hotel Saguenay in the Saguenay-Lac-Saint-Jean region. The congress is held every three years and is the most important event organized by the federation.

We invite you to join the debate on major policies, financial statements and the budget proposal for the next mandate. This is also the time to hold executive committee and various federation sector and committee elections.

In addition to presenting a summary of activities over the last three years, we will address, among others, the following topics:

- ✓ Balance of power
- ✓ Just transition
- ✓ Workplace violence
- ✓ Public transit
- ✓ Dubé reform – *Act respecting health services and social services*

In conclusion, I would like to emphasize the importance of your participation in the federation's congress. I also invite you to pay close attention to having a proportional representation of women in your delegation.

We look forward to seeing many of you in Saguenay in June!

Union greetings,

Stéphanie Gratton
Interim President
